

Crosswalk of Common Core Instructional Shifts: Mathematics

Connecting Mathematics and Merry-Go-Round Youth Theatre's

High School Assembly Performance of *The Girl Who*

Shifts According to EngageNY
www.engageny.org

Shifts According to
Student Achievement Partners
www.achievethecore.org

2: Coherence: Students experience an age-appropriate piece of professional theatre that directly relates to their experience as young adults. Students draw conclusions about character motivations and behaviors that correlate to their own lives and situations.

=

2: Coherence: Think across grades, and **link** to major topics within grades

5/6: Application/Dual Intensity: After viewing the performance, students respond to discussion questions provided in the MGR study guide. These questions require students to extract meaning from a piece of theatre by applying evidence from the show and concepts from other subject areas.

=

3: Rigor: Require fluency, application, and deep understanding
