

The Keepers' Voice – 4th Grade Program

The 4Cs: Super Skills for the 21st Century

Communication

Students practice following directions and active listening during the performance and preparatory workshop. They engage in discussion within their groups.

Collaboration

During the play, students work together to demonstrate prior knowledge of the Haudenosaunee. They will take part in a simulation of a council and the Haudenosaunee's decision making process.

Critical Thinking

Students will make connections to NYS Social Studies Framework Key Ideas 4.2 and 4.5b. They will participate in a council discussion about maintaining peace using background knowledge to inform opinions.

Creativity

Students use background knowledge and context to act as members of the five nations of the Haudenosaunee. They join actors in instructional storytelling.
