

# *Careers in the Arts Workshop Series: 21st Century Skills in Action*

---

## **Story in Motion - 3<sup>rd</sup> Grade Workshop**

### **The 4Cs: Super Skills for the 21<sup>st</sup> Century**

#### **Communication**

Students communicate an original story, using specific details and complex academic language.

#### **Collaboration**

Students work together to create the beginning, middle, and end of a story.

#### **Critical Thinking**

Students analyze and evaluate stories based on the amount of details provided. Students use critique to explore ways to improve a story.

#### **Creativity**

Students invent stories using new methods and approaches guided by the MGR actor.
